## Happy New Year from Rough Guides 2009 catalogue now available

Make the most of the noughties with Rough Guides - on your bookshelf, in your backpack, online and on TV. We're looking forward to a year brimming with new and updated guides, maps and travel specials, plus we're already traversing the globe to bring you the best travel experiences in the second series of *Rough Guide to... on Five*.

Bored of the credit crunch, had enough of grey skies? Why not head off to sunnier climes with less cash than you might expect with **The Rough Guide to Central America on a Budget** and experience the best of this astonishingly diverse area from volcano hopping in Costa Rica to Carnival in Panama City.

If you fancy something a little closer to home, check out the updated edition of **The Rough Guide to Walks in London & Southeast England**. With walks of varying length and ability from a canal walk in the capital or a hike along the Ridgeway, it's the perfect companion for a weekend jaunt. Or plan a Spring break to Italy with the new **Rough Guides to Florence & the best of Tuscany**. For the first time Rough Guides combine this historical city with the best of the beautiful surrounding countryside.
