DIRECTIONS

Cutting Edge Travel Technology from ROUGH GUIDES

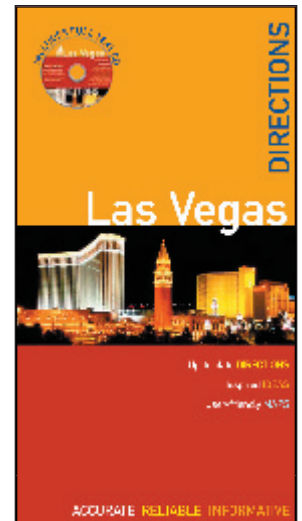

Rough Guides introduces four new titles in the DIRECTIONS series, the **ONLY** guidebooks with an **e-book CD** (PC, Mac, and PDA-compatible).

The new DIRECTIONS guides to *Maui*, *Las Vegas*, *Madeira* and *the Dominican Republic* give visitors the inside scoop on the best each destination has to offer, from the sights not to miss, and the top places to stay, to the best restaurants and cafes, and the coolest bars. Awash with vibrant color photos, a sense of history and a healthy dose of irreverence, these DIRECTIONS guides truly are smart guides for smart people.

For the tech lover:

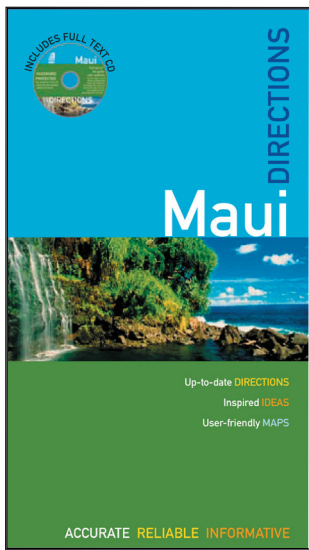

Exclusive to DIRECTIONS, each guide includes a password-protected **e-book CD** that allows travelers to transfer the entire contents of each book on to any **Mac, PC, or handheld device**. Complete with hundreds of **weblinks**, visitors can make online hotel reservations and research featured attractions before leaving home. Once on the road, hurried travelers can electronically search and annotate the guide to access that much-needed map and address without wasting any time. Or, leave the book at home and simply rely on your newly-equipped Palm Pilot or Blackberry for hotel phone numbers, restaurant hours, or driving directions to local sights such as Maui's breathtaking Seven Sacred Pools or the Las Vegas desert.

For the book lover:

The pages of a DIRECTIONS guides have everything you need to get the most out of a short trip. These stylish guides are accurate, reliable, informative, and - best of all - they fit in your pocket. Features include quick, fully cross-referenced **local transportation** and city **maps** on inside front and back flaps; a **full-color** introduction and unique themed "**Ideas**" section; an easily accessible **language section**; and **hundreds of** specially commissioned **photos**.
